<p>Healthy Relationships, Boundaries, and Consent Workshops with The Harbor</p>	<p>Name: Mia Matias</p> <p>Email: mia@harbornw.org</p>	<p>Virtual and Astoria, OR</p>	<p>Did you know your relationship affects your health? Studies show that healthy relationships lead to better health, a longer life, and a more positive impact on your mental health. We will help you to identify qualities of all relationships that fall within the spectrum, as well as the prevalence and severity of teen dating violence. We'll discuss boundaries- what they are, how to establish them, and how to enforce them- and the importance of consent as it applies to all these aspects.</p> <p>We'll use our time together to incorporate games and activities that will hopefully lead to a better understanding of the importance of healthy relationships, how to identify if you or someone you care about is struggling with dating violence, to highlight why boundaries and consent are necessities in all areas of your life, and how YOU can use your voice to bring awareness to dating violence and the impact it has on youth and the community.</p> <p>Contact us directly to learn about other opportunities and ways we can work with your Girl Scouts. We can tailor our workshops and materials to suit any Girl Scout level.</p>	<p>Senior Women's Health Badge</p> <p>Senior GIRLtopia Journey</p> <p>Senior Mission: Sisterhood! Journey</p> <p>Senior Your Voice, Your World Journey</p>

<p>Escape Rooms & Immersive Mystery Experiences</p> <p>With TwistsNTurns</p>	<p>Name: Rebecca Eliav</p> <p>Email: reliav101@gmail.com</p> <p>Website: www.twistsnturns.club</p>	<p>Virtual</p>	<p>TwistsNTurns presents a unique and interactive detective game experience in which children become active participants in our immersive stories, and must work together as a team to unravel the plot before time runs out! We aim to engage and excite our participants in our virtual, obstacle-driven mysteries, leaving them with memories that will last forever.</p> <p>If your girl loves mystery-themed novels and detective shows, then they will love these programs! These experiences will give your Girl Scouts the chance to test their critical thinking skills in hypothetical situations based on fantasy and reality. Girls will learn to excel in puzzles and riddles involving colors, wordplay, shapes, and math. Throughout the activities, they will be encouraged to share and debate hypotheses with their peers to work together to solve the mystery before the class ends.</p>	<p>Daisy Making Choices badge</p> <p>Brownie Senses badge</p> <p>Junior Detective badge</p> <p>Cadette Special Agent badge</p> <p>Senior Truth Seeker badge</p> <p>Ambassador Citizen Scientist badge</p>
