## 2018 Girl Scout Cookie Season Kicks Off in Oregon and SW Washington January 6 *Girl Scout S'mores™ cookies are back by popular demand!*

PORTLAND, OR. – January 3, 2018 – Girl Scouts of Oregon and Southwest Washington kicks off the 2018 Girl Scout Cookie season this week. Girl Scouts will sell cookies door-to-door, at booth sales, and via the Digital Cookie® platform, an innovative and educational web-based platform that helps girls run and manage their Girl Scout Cookie businesses online. Now in its fourth year, the Digital Cookie platform continues to bring Girl Scout programming into the future by providing girls with invaluable business and science, technology, engineering, and math (STEM) skills that prepare them for 21st century leadership.

Local Girl Scouts will take orders from customers beginning January 6 for delivery beginning mid-February.

### Cookie Booth Sales and Cookie Finder

Girl Scouts will sell cookies at booths in front of local retailers throughout Oregon and Southwest Washington from February 16 through March 11, 2018 for \$5 per box.

Signature Girl Scout Cookies, including Thin Mints®, Samoas® and Trefoils® will be offered among the [eight Girl Scout Cookie varieties](#) at all cookie booths. Back by popular demand are Girl Scout S'mores™ cookies! Girl Scout S'mores™ and gluten free Toffee-tastic™ specialty cookies are available at select cookie booths while supplies last.

Customers can find a Girl Scout Cookie booth near their location with the Cookie Finder at [girlscoutsosw.org](http://girlscoutsosw.org) or use the Girl Scout Cookie Finder app available for iPhone or Android.

### The Power Behind the Girl Scout Cookie Program

The Girl Scout Cookie Program teaches girls the skills they need to become effective leaders, manage finances and gain confidence in handling money—skills that will stay with them for a lifetime. Each box of Girl Scout Cookies sold powers real-life experiences for thousands of local girls.

Further, skills girls learn in the cookie program also influence later success: [data shows](#) more than half (57 percent) of Girl Scout alumnae in business say the cookie program was beneficial to skills they possess today, such as money management, goal-setting, and public speaking.

### Keeping it Local

Councils use cookie earnings to power amazing experiences for girls through their programming, while girls and their troops decide how to invest in impactful community projects, personal enrichment opportunities, and more—100 percent of the net revenue earned from cookie sales remains within the local region. Every purchase of Girl Scout Cookies helps provide for new and unique opportunities for local girls including valuable educational experiences that have lifelong impact. Girl Scout campers in Oregon and Southwest Washington use Girl Scout Cookie Program proceeds to fund their own camp and travel adventures. And, nearly every Girl Scout troop uses some portion of their cookie proceeds to give back to their local communities.
