

Program Opportunities

January 2026

Overnight camp registration is open!

At Girl Scout camp, your camper will hike trails, shoot a bow and arrow, learn about the nature all around her, swim in the pool or lake, and sing under the stars. But something even more powerful is happening beneath the surface: she's building the kinds of skills that will stick with her long after summer ends.

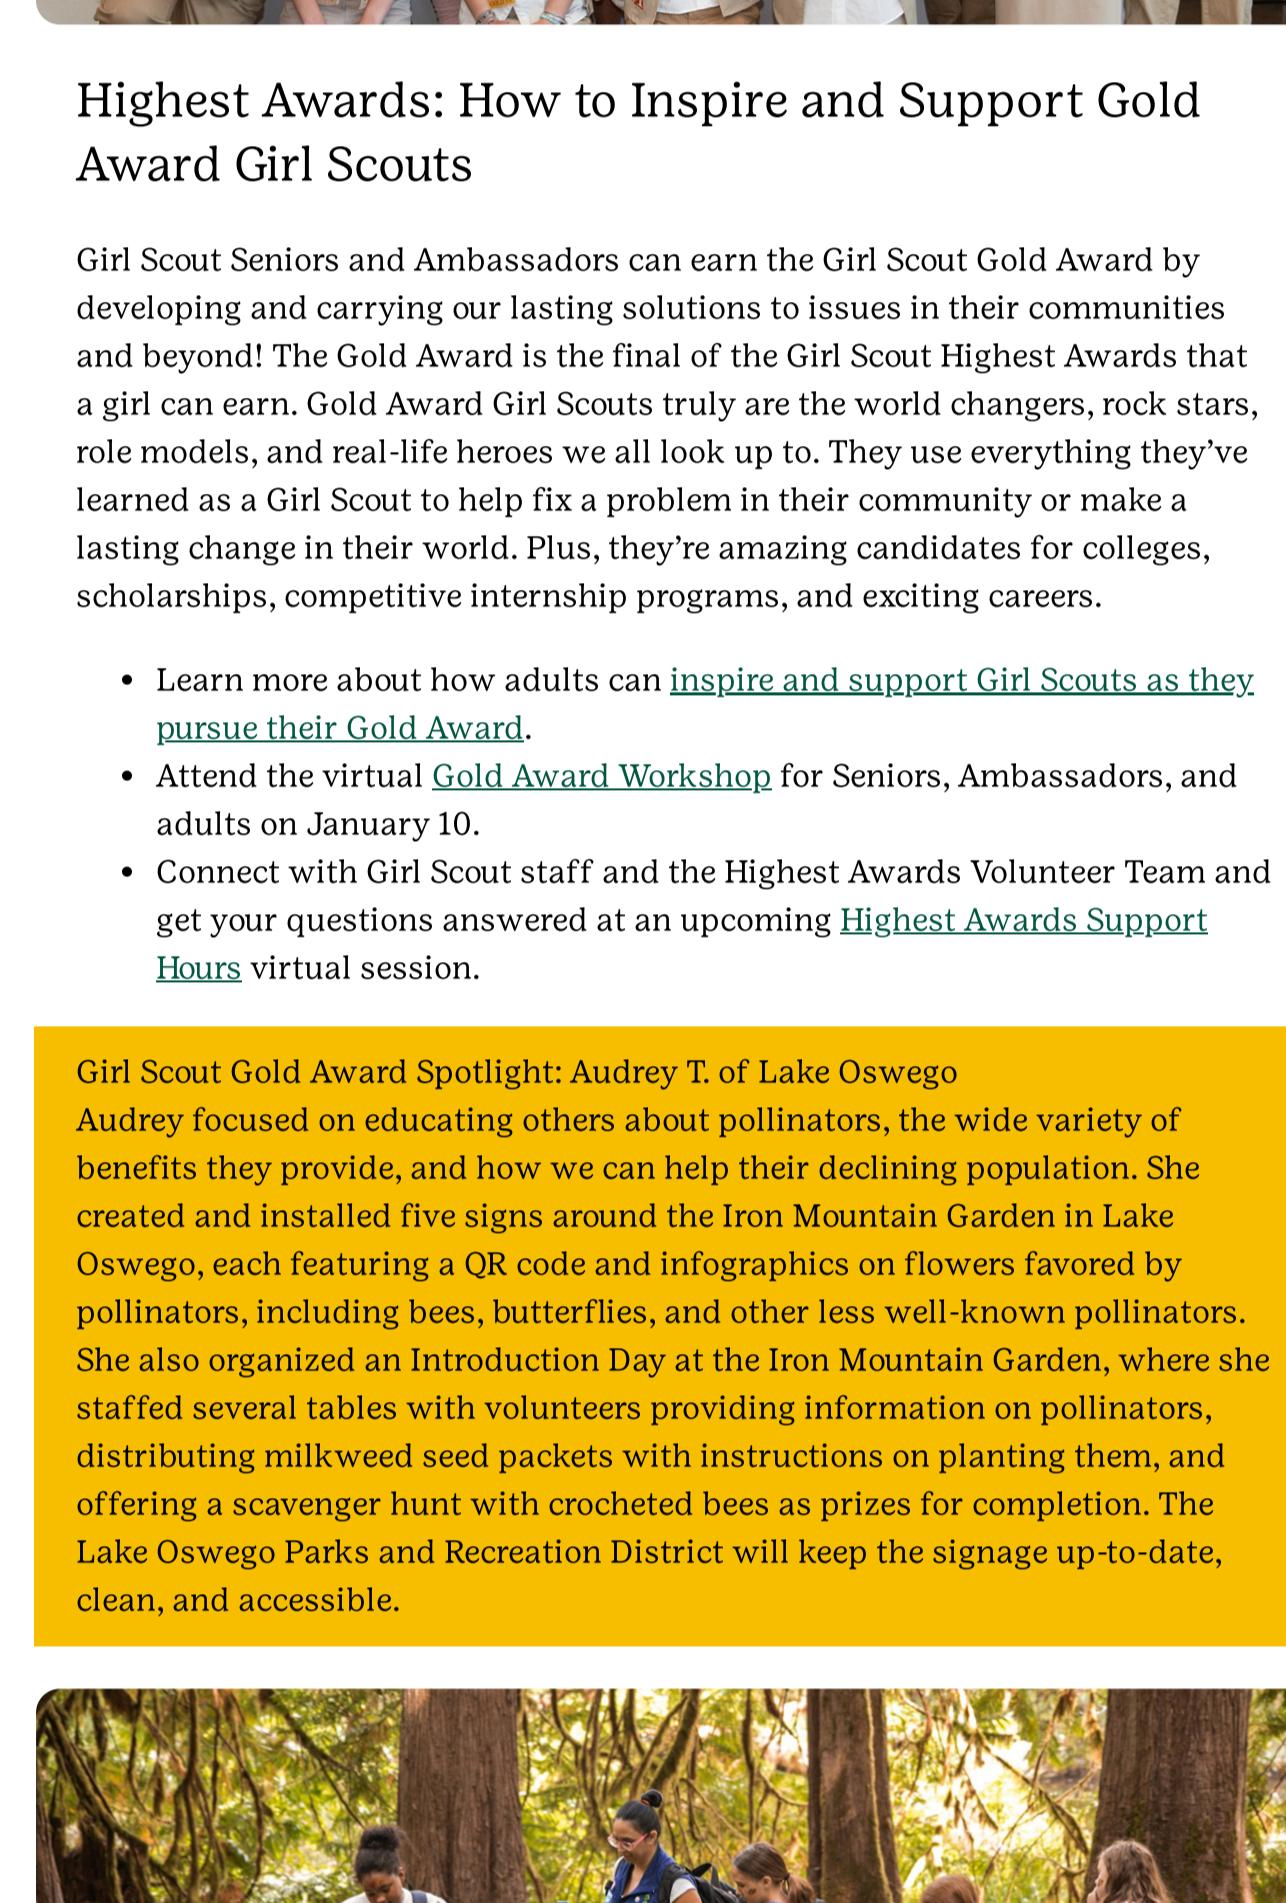

Overnight camp registration is now open—to find out more information about our camp programs, please read the [2026 Summer Camp Programs Brochure](#). All who register for overnight camp before January 20 at 11:59 p.m. will receive a free camp map bandana! Ready to get started? [Sign up today!](#)

Scholarships & Camperships

Did you know that there's a scholarship for overnight camp? [The Holly Hammann Award](#) is a full scholarship for a Girl Scout entering grades 5–12 to use at one session of GSOSW overnight camp. Applications are open now through January 31. Learn more about this award and its requirements and [apply today](#).

Camperships (financial assistance) are available to support the cost of overnight camp. You can learn more on pages 36–37 of the [2026 Overnight Camp Programs brochure](#).

Get Ready for Cookie Season

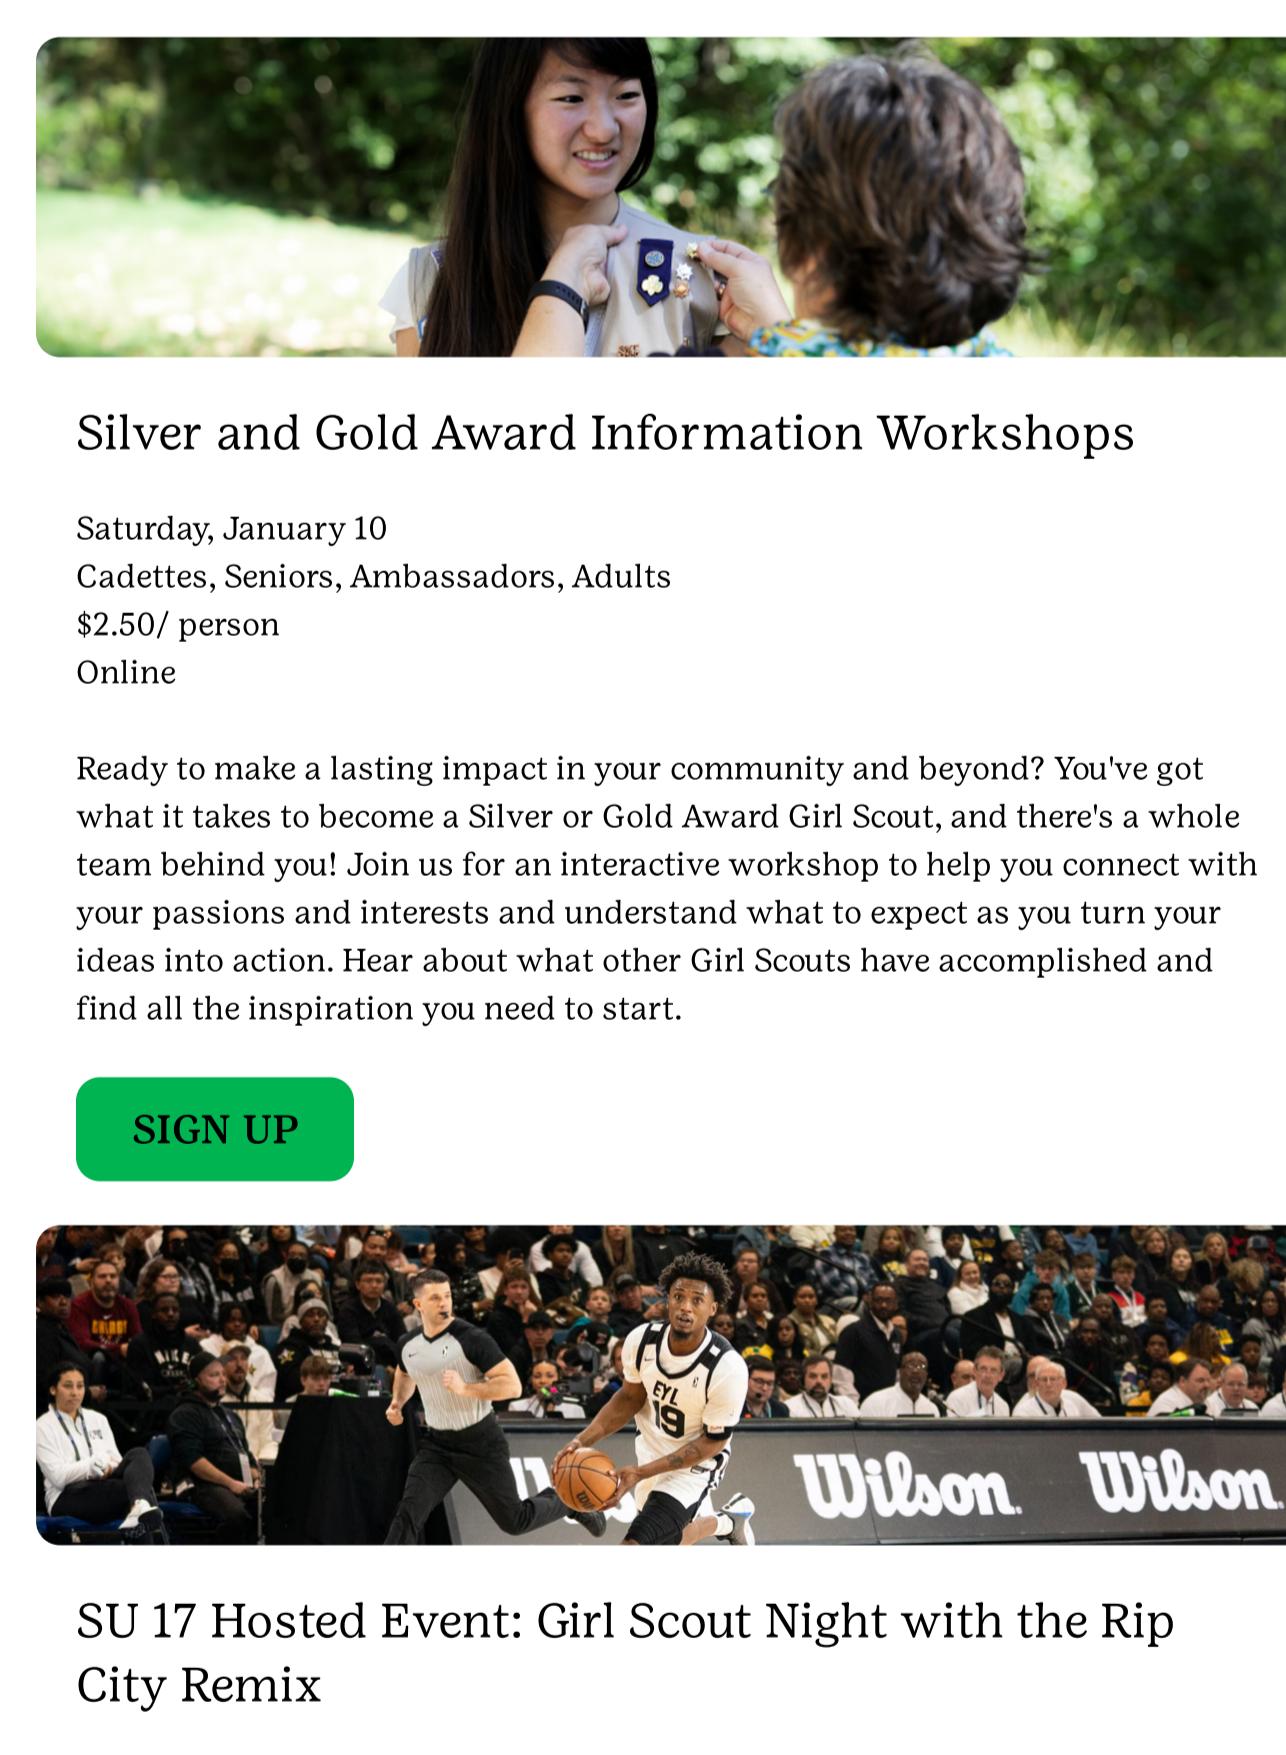

The Girl Scout Cookie Program is about to start on January 6! There is no better way to help your Girl Scout(s) get ready and get the most out of the cookie program than earning Cookie Business badges! Check out the [Cookie Family Guide](#) (PDF) to explore all the badge options and the important information you need to support your Girl Scout's success!

The Cookie Business badges prepare girls for the cookie program by engaging in fun activities that help them learn about cookies, create a budget, set goals, and provide good customer service, all while learning to lead their own business. These badges can be earned each year, supporting girls to develop skills and build their excitement about the program and all they can do with the funds they earn.

Support the Cookie Program as a family and have fun as you complete steps towards earning the [Cookie Entrepreneur Family Plan](#) every year! Girl Scouts grow in confidence knowing their family is behind them as they set goals, track progress, and perfect their sales pitches.

Check out the Financial Literacy badges to dig deeper into money handling and budgeting, which support girls' ability to set realistic goals and achieve their dreams with the Cookie Program. They can grow their skills in understanding business and in learning how to lead their own with the Entrepreneurship badges. Consider reaching out to one of the program partners on the [Schedule Your Own Adventure Center](#), like InRoads Credit Union or Edward Jones, for help completing these badges.

Build Your Girl Scout Year with the Golden Trefoil

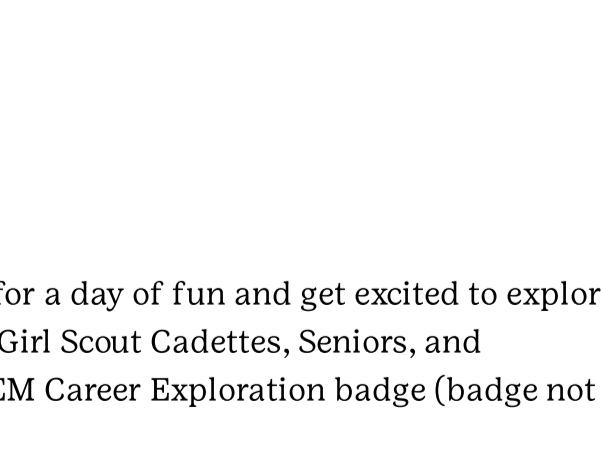

The [Golden Trefoil patch program](#) was established for Girl Scout youth and adult members to work together to maximize their Girl Scout experience! The patch program is a great guide to help Girl Scouts have a well-rounded, full Girl Scout year. This patch program is designed for all program levels and is to be repeated year after year. Use the Golden Trefoil Checklists to track progress through the year and submit the patch order form by August 31, 2026, to receive free patches.

Your local service unit can also earn a Golden Trefoil Cookie Penny! This means that your service unit will receive 1¢ for every box of cookies sold during the 2026 Girl Scout Cookie Program if 10% of eligible troops and Juliettes in the service unit earn the Golden Trefoil patch. These funds can help your area create more program opportunities for adults and girls.

Celebrate World Thinking Day

Join your fellow Girl Scouts and Girl Guides from over 150 countries to celebrate [World Thinking Day](#) on February 22! The best part is that you don't need to wait until February to get started. Start learning about World Thinking Day and embracing perspectives outside your own.

We're celebrating 100 years of World Thinking Day in 2026! This year's special theme is Our Friendship. We invite you to join in as we explore our worldwide Girl Scout/Girl Guide community and celebrate the friendships that connect us all around the globe.

Highest Awards: How to Inspire and Support Gold Award Girl Scouts

Girl Scout Seniors and Ambassadors can earn the Girl Scout Gold Award by developing and carrying our lasting solutions to issues in their communities and beyond! The Gold Award is the final of the Girl Scout Highest Awards that a girl can earn. Gold Award Girl Scouts truly are the world changers, rock stars, role models, and real-life heroes we all look up to. They use everything they've learned as a Girl Scout to help fix a problem in their community or make a lasting change in their world. Plus, they're amazing candidates for colleges, scholarships, competitive internship programs, and exciting careers.

- Learn more about how adults can [inspire and support Girl Scouts as they pursue their Gold Award](#).
- Attend the virtual [Gold Award Workshop](#) for Seniors, Ambassadors, and adults on January 10.
- Connect with Girl Scout staff and the Highest Awards Volunteer Team and get your questions answered at an upcoming [Highest Awards Support Hours](#) virtual session.

Girl Scout Gold Award Spotlight: Audrey T. of Lake Oswego

Audrey focused on educating others about pollinators, the wide variety of benefits they provide, and how we can help their declining population. She created and installed five signs around the Iron Mountain Garden in Lake Oswego, each featuring a QR code and infographics on flowers favored by pollinators, including bees, butterflies, and other less well-known pollinators. She also organized an Introduction Day at the Iron Mountain Garden, where she staffed several tables with volunteers providing information on pollinators, distributing milkweed seed packets with instructions on planting them, and offering a scavenger hunt with crocheted bees as prizes for completion. The Lake Oswego Parks and Recreation District will keep the signage up-to-date, clean, and accessible.
