

## Program Opportunities

August 2025

### Introducing New Leadership Awards

Girl Scouts' [new Leadership Awards](#) celebrate all the ways Girl Scouts lead—yourself, your team, and your community. Whether you're leading a team project, guiding younger kids, speaking up for change, or learning to trust your instincts, these awards recognize and support the many ways leadership shows up. They're flexible, fun, and designed to help Junior through Ambassador Girl Scouts practice leading with confidence and purpose.

### Shine from the Inside Out

Big news—we just launched [new Body Appreciation badges](#) for every grade level, from Daisies to Ambassadors! Whether they're wiggling, dancing, laughing, or learning to set healthy boundaries, these fun, age-appropriate activities help girls celebrate what their bodies can do and embrace who they are—inside and out. Girls will build lifelong habits that support emotional and physical well-being, while developing confidence, self-respect, and a culture of kindness. Made possible by Flamingo.

### Expanded Ways to Get Started with Highest Awards

It's now easier than ever for Junior through Ambassador Girl Scouts to kick off their Bronze, Silver, or Gold Award. Already earned your Bronze or Silver? Great—each now counts as the prerequisite for the next! You can also complete one of the [new Leadership Awards](#) to build real-world skills and lead in the way that feels right for you. And if you've already started a Journey, keep going—you now only need to complete one (not two for the Gold Award!), and it will still count even after Journeys retire in October 2026.

Do you have questions about Highest Awards? [Join us for a virtual support hour on September 8 or October 21.](#)
