### Tips for the Fall Product Program

What do you want the future to look like? Who will lead us as we work to bring it to life? That's up to you—but only if you vote! Voting is the process by which people cast ballots to choose leaders or decide on important issues. It's a way to show what you believe in and make sure your voice is included in decision-making. You might not be old enough to vote—yet—but you're never too young to learn about this process and to get your friends, family, and community involved.

More to explore this election season:

- Take the [Civic Leadership Challenge](#), our council's own patch program.
- Explore [Democracy badges](#) for all Girl Scout levels.
- Remember to follow [GSUSA Guidance on Election Rules for 501\(c\)\(3\) Organizations](#).

### Reminder: Join GSOSW's Virtual Town Hall

We're excited to invite all adult members and Girl Scouts to participate in [Town Hall Meetings](#) with Shannon Evers, CEO of Girl Scouts of Oregon & Southwest Washington. [Join us on Monday, November 3, at 6:30 p.m.](#) to hear about our progress toward the [2025–2030 Strategic Plan](#) and have your questions answered.

### Celebrate Native American Heritage Month

The United States has 574 federally recognized Indian Nations (variously called tribes, nations, bands, pueblos, communities, and native villages).

Celebrate Native American Heritage Month in November by recognizing with your family and friends the histories, cultures, and contributions of the Native American communities that were the first inhabitants of the land that is now the United States.

Take this opportunity to learn more about the cultures of the Indian Nations in your state and across the country. Activities are available in both English and Spanish. Make new discoveries and have tons of fun while earning your patch!

### How to Inspire and Support Bronze Girl Scouts

Girl Scout Juniors can make their communities a better place by doing a [Bronze Award](#) project! They earn this award by teaming up with other Juniors or peers to make a difference in their community. The Bronze Award is the first of three Girl Scout Highest Awards that a girl can earn. As Juniors, Girl Scouts first partner closely with their troop leaders or Juliette mentors to explore their community, identify a need or issue they care about, and work together to address it.

- [Learn more](#) about how to inspire and support Girl Scouts interested in earning the Bronze Award.
- Attend our [virtual Bronze Award workshop](#) for adults on November 6!
- [Attend our virtual Highest Awards Support Hours](#), where you can get your questions answered by Girl Scout staff and members of the Highest Award team.

### Tips for the Fall Product Program

We're halfway through our Fall Product Program, and we're excited to share that we've already reached over 80% of our goal—excellent work! To keep the momentum going, here are a few tips to finish strong:

- Be Brave, Be Fierce, Be You! Lead with confidence and tell people why you're excited about the program. Don't be afraid to follow up with friends, family, and neighbors who may have missed your first message. A gentle reminder goes a long way!
- Know Your Products. Highlight new and exciting options like the Cherry Almond Clusters and something you'll love.

- Offer Care to Share. Let people know they can donate treats to deployed troops through Operation Gratitude.

- Keep it Fun & Friendly, and remember, every "yes" "no" or "maybe later" is a smile, say thank you, and remember every "yes" "no" or "maybe later" is helping you build people skills and reach your goal!
