

## Program Opportunities

December 2025

# The 2026 Summer Camp Programs brochure is here!

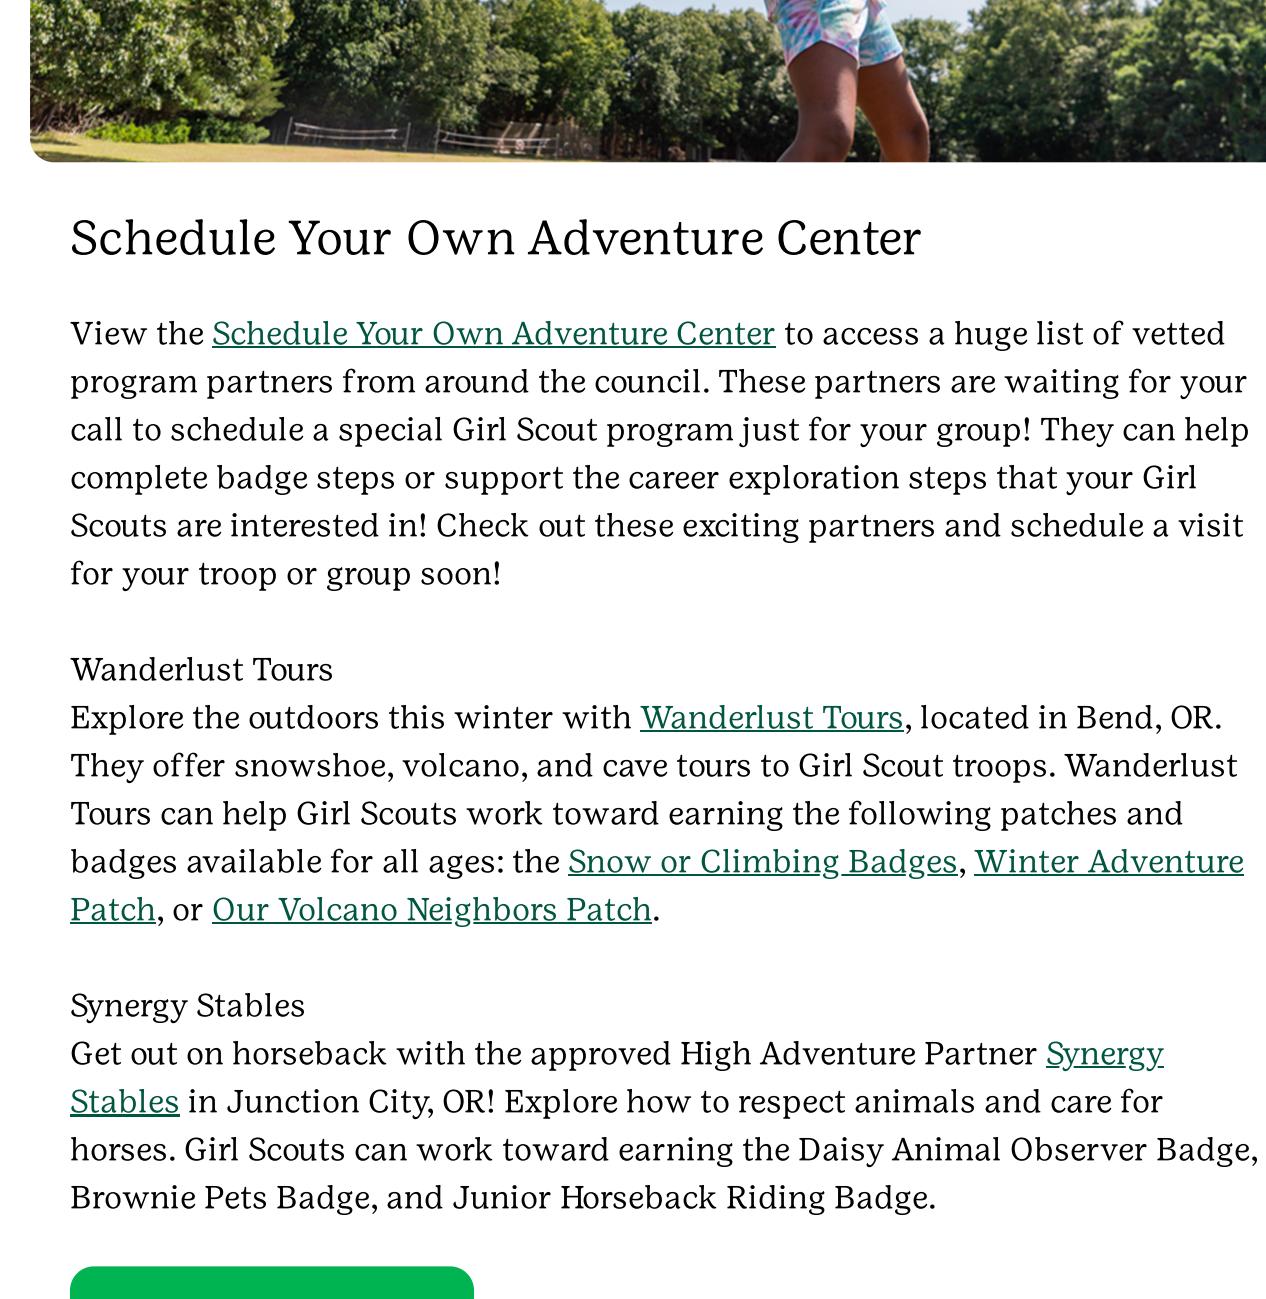

It's almost time to register for summer camp!

Get ready to explore a summer full of adventure, growth, and unforgettable memories. At Girl Scout camp, your camper will hike trails, shoot a bow and arrow, swim, and sing under the stars, surrounded by the beauty of the Oregon Coast or the Columbia River Gorge. But beyond the fun, she's gaining confidence, building resilience, and learning to lead—skills that will stick with her long after the summer ends.

Our trained counselors are here to support your camper as she steps into new experiences, discovers what she's capable of, and grows in ways that go far beyond what any camp schedule can capture. Because the best part of camp isn't just what she does, it's who she becomes along the way.

[Explore the brochure with your Girl Scout today](#), and save the date: overnight camp registration opens on Tuesday, December 9, at 10 a.m.! Financial assistance and transportation are available; see the camp brochure for details.

## How to Inspire and Support Silver Award Girl Scouts

Girl Scout Cadettes can make a positive, lasting change in their communities by earning their [Silver Award](#)! The Silver Award is the second of the Girl Scout Highest Awards that a girl can earn. As Cadettes, Girl Scouts are challenged to go beyond doing something for the community and instead partner with the community to make a lasting difference. They have to recruit volunteers and delegate work to them - these could be other Girl Scouts, peers, or community members. These projects are usually done solo or in pairs, but up to four Girl Scouts can work on a Silver Award together. Each Girl Scout needs 50 leadership hours, so the more Girl Scouts, the bigger the project. Juliette Girl Scouts can recruit peer helpers if they don't know other Girl Scouts.

Learn more about [inspiring and supporting Girl Scouts interested in the Silver Award](#), attend a virtual [Silver Award workshop](#) for Cadettes and adults on January 10, or sign up for our virtual [Highest Awards Support Hours](#), where you can get your questions answered by Girl Scout Staff and members of the Highest Awards Volunteer Team. ## Silver Award Spotlight

Kailani G. and Samantha J. designed and implemented a hands-on nutrition education project for third-grade students in honor of Diabetes Awareness Month in November. They created an engaging lesson plan, interactive menu boards, and take-home kits that helped students understand the importance of healthy eating and how it relates to preventing and managing diabetes. They empowered students with nutrition knowledge in a fun, appropriate way while raising awareness of a condition that affects millions.
