Girl Scout volunteers help craft girl experiences—from the way they run their cookie businesses to the way they speak up in meetings. Volunteers teach girls new skills and help them find the confidence they need to bring their unique ideas to life and make changes that they never thought possible. And as they help girls learn, grow, and lead, volunteers have the support of their local Girl Scout community: the service unit team. You can be that support! Volunteer with your service team to help set up volunteers for success and growth—honing your own leadership and organizational skills along the way. It’s a win-win!
