

Vera E. Heidenreich & Marjory R. Smith Fund

Overview

The VEH & MRS Fund was established in 2001 by a group of community members to be used for special needs. Applications are accepted annually and are reviewed by a committee of the Order of the Silver Trefoil, Chapter #1, a group of people who have been Girl Scouts for more than 25 years.

- Special needs include activities, events, equipment, and/or enrichment opportunities that were unknown or unforeseen at the time the council budget was adopted, and which help advance the council's goal to bring Girl Scout program to all girls.
- As many Girl Scouts as possible should benefit through an event or activity, the purchase of program equipment, or through paying to train any adult or girl who will then share the information and knowledge with others.
- This is a one-time award.
- The funding must be used in the same calendar year in which it is awarded.
- The money may not be used for camperships.
- In the event that no qualified applications are received, available funds may be awarded for a special need at the discretion of the VEH & MRS Fund Committee and/or its representative.
