

2022 Girl Scout Cookie Program Quick Facts

- In Oregon and SW Washington, the Girl Scout Cookie Program runs **January 7-March 13, 2022**.
- This year, customers can purchase Girl Scout Cookies in a few different ways:
 - **If you know a Girl Scout**, reach out to her to find out how she's selling cookies in ways that meet local and state safety protocols.
 - **Beginning February 18**, enter your zip code into the **Girl Scout Cookie Finder** at girlscoutcookies.org to find a local cookie booth, or to purchase cookies online from a local Girl Scout troop for delivery, shipment or donation.
- Customers can opt to donate cookies through the Girl Scout **Gift of Caring** program. Purchases of cookies donated through this program are tax deductible. Donated cookies are distributed to seniors and people in need throughout the region via partnerships with social service agencies, including the Meals on Wheels People, Marion-Polk Food Share and Clark County Food Bank.
- There are nine delicious varieties of Girl Scout Cookies: Adventurefuls™ (new!), Thin Mints® (vegan), Samoas®, Tagalongs®, Do-si-dos®, Trefoils®, and Lemon-Ups™. Our specialty cookies are Toffee-tastic™ (gluten free) and Girl Scout S'mores™.
- New this season is Adventurefuls™, an indulgent brownie-inspired cookie topped with caramel flavored crème with a hint of sea salt.
- **100 percent of the net revenue earned from cookie sales remains with our local council.** Customers who purchase Girl Scout Cookies are helping to power amazing experiences for local girls, whether enrichment experiences like camp and travel or investment in community service projects.
- The Girl Scout Cookie Program teaches girls the skills they need to become effective leaders, manage finances and gain confidence in handling money—skills that will stay with them for a lifetime and influence later success. **More than half (57 percent) of Girl Scout alumnae in business say the cookie program was beneficial to skills they possess today**, such as money management, goal-setting, and public speaking.
- By participating in the Girl Scout Cookie Program, girls learn five essential life skills: **goal setting, decision making, money management, people skills and business ethics.**
