Troop Size + Welcoming Girls

Girl Scouts is committed to equity and inclusion. With that in mind, every program grade level has a minimum troop size number and troops welcome girls as needed to maintain that troop size all year.

Example: If your troop has chosen a troop size of 13 girls and loses 3 members throughout the year, those 3 open spots will be made available in the Open Troop Catalog to welcome new girls into the troop until those spots are filled and the chosen troop size has been reached again.

Select your CHOSEN TROOP SIZE for the year *

- 5 girls (Senior/Ambassador/Special Needs Troops Only)
- 6 girls (Senior/Ambassador/Special Needs Troops Only)
- 7 girls (Senior/Ambassador/Special Needs Troops Only)
- 8 girls (Daisy/Senior/Ambassador/Special Needs Troops Only)

- 21+ girls (council staff will follow up to confirm troop size with you)

Please confirm that you understand that your troop may welcome new members * throughout the year as spots open from either members who don't renew for another year or members who choose to leave your troop.

Yes, I understand.

Would your troop be interested in welcoming girls beyond your chosen troop size * on a case by case basis?

Yes. If someone is looking for a troop and we're full, email us and we can connect with the family to see if we're the right fit.

No. Our troop can't support any girls beyond our chosen troop size.
