Hello Girl Scout!

Welcome to your Fall 2020-Winter 2021 Program Guide! The world looks pretty different right now. The things you were looking forward to this fall—like heading back to school or starting your Girl Scout year together with friends—may be happening in different ways. One thing that hasn’t changed? You’re a Girl Scout! And that means you’ve got what it takes to take on this challenge, with your Girl Scout community by your side. No matter what this season looks like for you, the Fall 2020-Winter 2021 Program Guide is your toolkit for connection, discovery and fun. So let’s explore what’s inside!

This edition of the Program Guide looks a bit different from past guides, as we all stay home or physically distanced to minimize the spread of COVID-19. In this edition, you’ll find fewer of the in-person events you’re used to, and many more opportunities to take the lead at home or in your local community—on your own, or virtually as a troop. Which adventures will you choose? Jump right in and discover all you can do as a Girl Scout!

A Note for Caregivers and Volunteers
First—we have to say, WOW. This is a season of change and challenge for you, too. Yet here you are, reading the Program Guide, thinking about how you can help bring some fun and learning into your girl’s life. We see you, and you’re AMAZING. That’s why we’re here for you, to support you as leaders, mentors, and caregivers. Along with tools for girls, we’ve got tools for your success as well. Throughout the guide, you’ll see this “For Adults” symbol (ŏ) helping you find important information designed just for you to help you and your girl make the most of your Girl Scout year. Need more support? We’ve got you—send us a note at answers@girlscoutsosw.org!
HELP YOUR GIRL SCOUT TAKE ACTION AGAINST RACISM
A Note for Caregivers

For more than 100 years, Girl Scouts has prepared girls to be leaders in our world, to speak up, speak out, and take action for fairness, equity, civility, and compassion for all people. Girl Scouts will always stand for justice, for respect, and for the inherent value and worth of each individual. Racism and hate have no place in Girl Scouting.

To live our values and set an example for the girls we serve, it is not enough to simply say what we stand for. We must match our words with action. We encourage you to use the tools and resources below to help guide conversations with girls and encourage them to make their voices heard—with bold moves like advocating for positive change in their local communities and standing up against injustice.

- Help your Girl Scout take action against racism with resources and conversation starters from Girl Scouts of the USA.
- Take Girl Scouts of the USA's anti-racism pledge to learn about and join in Girl Scouts' efforts to help dismantle systemic racism and create change in our communities that is long overdue.
- Support your Girl Scout in earning a Citizen or Democracy badge to discover the power she has to make a difference and understand the pathways she has to lead positive change through civic action. When girls earn one of these badges through the end of 2020, they can receive them for FREE thanks to support from The Oregon Clinic. Learn more on Page 12.
- Across the country, young people standing up for their beliefs are making headlines, sparking national conversations, and in some cases even getting laws changed to reflect what they think is right. Here's how you can support your Girl Scout as she stands up for change.
- Encourage your girl to speak up and advocate for the issues important to her with G.I.R.L. Agenda resources for every grade level.

Girl Scouting is not just something girls do, it's who they are. It's who we are. Let's put our values into action—our courage, confidence, and character—to make our community, our country and our world a better, more just, equitable and compassionate place.
THE GIRL SCOUT LEADERSHIP EXPERIENCE

The GSLE is the engine that drives what girls do in Girl Scouts, how they do it, and how they benefit.

The Three Keys of Leadership

**DISCOVER**
Find out who you are, what you care about and what your talents are.

**CONNECT**
Collaborate with other people, both locally and globally, to learn from others and expand your horizons.

**TAKE ACTION**
Do something to make the world a better place!

The Three Processes of Girl Scouting

**GIRL LED**
Take an active role in figuring out the what, where, when, why and how of what you do as an individual and a troop.

**LEARNING BY DOING**
Engage in hands-on learning, take action and reflect on what you learn.

**COOPERATIVE LEARNING**
Share knowledge and work together on goals that can only be accomplished with the help of others.

When you use the three keys and three processes in everything you do as a Girl Scout, you will:

- **Develop a strong sense of self.** Find confidence in yourself and all that you are capable of as you try new things, take on challenges, and learn from your mistakes.
- **Display positive values.** Learn to act ethically, lead with honesty, be responsible, and show concern for others.
- **Seek challenges and learn from setbacks.** Take risks, open yourself up to new opportunities and experiences, and embrace failure as an opportunity to learn.
- **Form healthy relationships.** Practice leading with positivity, learn to communicate your feelings directly, and resolve conflicts constructively.
- **Become community problem-solvers.** Identify problems in your community and create action plans to solve them.
The Girl Scout Program

The Girl Scout program is broken into four key areas called program pillars that come together to form one awesome foundation where you can grow, learn and have fun. Whether earning a program patch or Girl Scout badge, completing a Journey, or becoming a Gold Award Girl Scout, you’ll benefit from this strong foundation and build leadership skills to last a lifetime.

### Program Pillars

<table>
<thead>
<tr>
<th>STEM</th>
<th>Outdoor</th>
<th>Entrepreneurship</th>
<th>Life Skills</th>
</tr>
</thead>
<tbody>
<tr>
<td>With a focus on high-quality multi-year programs in engineering, computer science, and outdoor STEM, you can become increasingly interested, confident and competent in STEM subjects. Learn more on Page 5.</td>
<td>Experience nature, build skills, and take action in your community as an environmental steward. Learn more on Page 7.</td>
<td>Starting with the Fall Product Program and the iconic Girl Scout Cookie Program, this pillar explores ways in which you can change the world by learning business skills and experiencing entrepreneurship opportunities. Learn more on Page 9.</td>
<td>Enhance the academic skills you learn in school through topics such as civic engagement, healthy living, communication skills, financial literacy, and global citizenship. Learn more on Page 12.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Patches</th>
<th>Badges</th>
<th>Journeys</th>
<th>Awards</th>
</tr>
</thead>
<tbody>
<tr>
<td>Girl Scout fun patches are a way for girls to express themselves. Patch programs provide Girl Scouts an opportunity to enjoy a variety of activities while earning a fun patch.</td>
<td>While earning badges, you can explore new activities, learn by doing, make your own choices, and work together with other Girl Scouts.</td>
<td>Journeys foster leadership development. Each Journey has a Take Action component through which girls make a difference in their community.</td>
<td>As Girl Scouts progress from Daisy to Ambassador, the awards they earn symbolize new and higher levels of achievement—and ultimately a deeper understanding of what it means to be a leader.</td>
</tr>
</tbody>
</table>
STEM

STEM stands for Science, Technology, Engineering and Math. Doctors, engineers, teachers, astronauts, veterinarians, financial planners, and inventors all have STEM-related careers, and they work to make the world a better place. You can, too!

Did you know that over 100 years ago, the first Girl Scout badges in STEM—the Electrician badge and the Flyer badge—were introduced? It’s true! To earn the Girl Scout Flyer badge in 1913, girls explored air currents, types of aircrafts, engine types and even learned how to fly a plane.

Check out the “A Moment in Girl Scout History: The Flyer Badge” video to learn more about the Flyer badge!

To earn the 1927 Girl Scout Electrician badge, girls investigated how electric currents sent through wires can produce heat and light, and how they can be converted to energy to power a motor. Girls even learned how they might rescue someone from contact with live wires!

Today, Girl Scouts helps you gain the STEM skills you need to prepare for the challenges of tomorrow.

New STEM Badges

Introducing nine new automotive engineering badges for Girl Scout Daisies, Brownies and Juniors! Explore the future of mobility! Design your own vehicle, test prototypes, learn about design thinking, create your own assembly line manufacturing process, and more.

Introducing three new STEM career exploration badges for Girl Scout Brownies, Juniors and Cadettes! Are you ready to see how you can change the world with STEM? Explore activities in computer science, nature and environmental science, engineering, design, health, and agriculture to see how these STEM fields are helping address the pressing issues of our time.
Introducing STEMapalooza

November 14 & 15, 2020 | $7.50/girl

STEMapalooza is a two-day virtual event filled with exciting virtual STEM experiences, engaging with STEM experts and exploring STEM experiments. From webinars to live science demonstrations to self-guided activities, you won’t want to miss this!

GSOSW Astronomy Club Patrols

Space Science Research Team – Willamette Valley Astronomy Club
This girl-led astronomy club votes on a topic to explore each month and arranges virtual guest speakers, then blasts off with newfound knowledge! Open to Juniors, Cadettes, Seniors and Ambassadors. Contact gsoswastronomyclubwv@gmail.com to join this month’s meeting!

Backyard Stargazing Team – Portland Metro Astronomy Club
Join the Portland Metro Astronomy Club to participate in monthly stargazing challenges, attend virtual telescope workshops, discover new at-home activities, and gain access to a telescope loan program. When you join, you’ll receive a monthly newsletter and fun astronomy club swag! Open to all grade levels. Contact gsoswastronomyclub@gmail.com to join the monthly mailing program!

Girl Scout STEM Month

April 2021 is Girl Scouts STEM Month! Save the date for OMSI Family Science Night on April 5, 2021, and STEM Day on April 10, 2021. Visit girlscoutsosw.org/STEM beginning March 14, 2021 for more information.

You can complete your STEM Month Challenge and earn your very own STEM Month patch when you:

1. Seek out STEM in your life
2. TRY SOMETHING NEW
3. EXPLORE STEM CAREERS
4. Make a difference in your community

STEM Day - Salem
April 10, 2021

OMSI Family Science Night - Portland
Outdoor Patch Programs

Explore the outdoors and earn an exclusive GSOSW patch by completing one or more of the following patch programs:

- **Outdoor Career Exploration: Trails to Your Future** is a brand-new GSOSW patch program designed to help Girl Scout Cadettes, Seniors and Ambassadors explore a range of careers related to the outdoors. Hear from women with outdoor work experience, discover your values and gather tips that could help you land your dream outdoor job!

- **The Great Outdoors Challenge** returned on October 1, 2020. Complete an outdoor activity every month through June 2021, National Great Outdoors Month, to earn the patch!

- Don’t forget about **GSOW’s State Parks Passport**. Many parks are open year-round, and winter can bring a new sense of adventure.

Outdoor Resources for Families

- Use the **Hike Selection Guide** to determine what trails are a great match for you.

- It’s possible for Girl Scout families to get outdoors safely and happily during a public health crisis. **Watch this video** to find out how!

- Learn how to prevent four common hiking injuries.
Camp In Campout: Winter Wonderland | December 12, 2020, 4 p.m.
Experience the magic of a “Winter Wonderland” Girl Scout camp adventure from the comfort of your own home! Pitch a tent or blanket fort in your living room, grab your hot cocoa, and join us for winter-themed activities (both live and on your own), stories, games and friendship over a virtual campfire. We’ll help you make the most of the night with activity suggestions, recipe and game ideas, song lyrics, blanket fort instructions, badge connections and more. This event is open to all girls—no Girl Scout membership required. Invite a friend and sign up today!

Save the Date:
Overnight Camp Registration Opens December 8, 2020!
Where can you learn how to knock an arrow, pilot a canoe, throw a clay pot, and saddle a horse—all while building self-confidence and make lasting friendships? Girl Scout camp, of course! Save the date and don’t miss out: Summer 2021 programs open for registration on December 8, 2020. Learn more about GSOSW’s unique overnight camps at girlscoutsosw.org/camp.

Outdoor Trivia
Test your Oregon and Southwest Washington geography knowledge! Find the answers upside down below the quiz.

1. The Bridge of the Gods is a steel bridge crossing the Columbia River. What geologic landform was it named after?
2. What is the deepest lake in America, at about 1,949 feet deep?
3. What mountain range is sometimes called “The Alps of Oregon?”
4. What hiking trail is 2,650 miles long and crosses the entirety of Washington, Oregon and California?
5. The city of Portland, Oregon, was named as the result of a coin toss. What was the other name option?
6. Which of these Cascade Mountains sits at the highest elevation within our council: Mt. McLoughlin, Mt. Hood, Mt. Adams, or South Sister?
7. How long is the Willamette River?
8. How many historic lighthouses stand along the Oregon Coast?
9. When Mount St. Helens erupted in 1980, how high in the air did the ash plume above the volcano reach?
10. How many time zones cover Washington and Oregon?

ENTREPRENEURSHIP

Girl Scout product programs help girls like you practice entrepreneurship—that’s setting up and running your own business! Through these fun, girl-led programs, you’ll learn and practice five skills: goal setting, decision making, money management, people skills and business ethics. Proceeds from these programs stay local and help you and your troop fund amazing experiences all year long! The confidence and business skills you gain by participating will help you succeed today and in the future.

2020 Fall Product Program
The Girl Scout Fall Product Program helps you build entrepreneurial skills by offering family and friends the opportunity to purchase nuts, chocolates and magazines online or in person (while following COVID-19 safety guidelines, of course!). The Fall Product Program is an excellent way to earn start-up funds for your troop’s activities throughout the year, and fun recognitions for you.

This year’s Fall Product Program theme is “Bravely Be You.” Your fall product mascot and travel companion is the pygmy three-toed sloth! If you’re interested in participating in the 2020 Fall Product Program, it’s not too late! Girl Scouts in qualifying troops can get started with the program at any time through November 2020. To get started, simply contact your troop leader or service unit product manager.

2021 Girl Scout Cookie Program
Participating in the Girl Scout Cookie Program prepares you with the business smarts to take on the world!

When you sell Girl Scout Cookies, you are doing more than helping your customers stock up on delicious treats (and having lots of fun). You are doing it with a goal in mind—a goal to power new, unique, and amazing experiences for yourself and your troop all year long!

Did you know that you are also part of something even bigger—something thousands of girls just like you are part of nationwide? It’s true! When you participate in the Girl Scout Cookie Program, you’re part of the largest girl-led entrepreneurial program in the world.

The 2021 Girl Scout Cookie Program theme is “We’ve Got This!” The program mascot, Hope the horse, embodies the strength and confidence girls gain through the cookie program.

**Fillies are Fearless! Did you know ...**

A young female horse is called a filly.

Horses are go-getters right out of the gate. They can run within hours of birth!

Horses have their eyes on the prize! They have bigger eyes than any other land mammal.

**Cookie Entrepreneur Family Pin**
Make Girl Scout Cookie season a family affair! Earning Cookie Entrepreneur Family pins makes spending time with family easy, fun, and even sweeter during cookie season. Start your collection today and get ready to rock your Girl Scout pride all season long.
Entrepreneurship Badges

When you participate in Girl Scout product programs, you are not only practicing running your own business, you are also taking steps towards earning entrepreneurship badges!

**Daisy: Count It Up**
Learn how much coins and bills are worth, find out what cookies cost, learn about different kinds of cookies, and set a sales goal.

**Brownie: Meet My Customers**
Find out how to manage money by pretending to be a customer. Find out where customers are, talk to customers, practice handling money and making change, and role play good customer relations.

**Junior: Cookie CEO**
Learn more about how to run all parts of a cookie business. Learn how to set a goal, explore how a small business works, create a cookie sale job list, learn how to make a good impression, and track sales.

**Cadette: Entrepreneur**
Find out what it takes to turn a great idea into a successful business. Brainstorm business ideas, learn how to improve ideas, learn about the financial side of business, imagine creating a business, and practice sharing business ideas.

**Senior: Business Etiquette**
Learn the basic business manners that will allow you to showcase just what you are capable of! Learn how to communicate with style and confidence, ace an interview, try your hand at negotiating, explore how to act on the job, and network with flair.

**Ambassador: P&L**
Find out how to apply the values of honesty and responsibility to your cookie business. Learn more about business ethics, create your own cookie promise, teach younger Girl Scouts about the business ethics of the cookie sale, and leave a legacy.

Looking for more? Dive into the six brand new Entrepreneurship badges! These new badges all focus around girl enterprise, teaching you all about how to cultivate your business ideas and make them come to life! Available now on the Volunteer Toolkit and in the Girl Scout Shop!
Girl Scouts inspires girls like you to be leaders by building the courage, confidence, and character to raise your voice and advocate for issues and ideas that are important to you. Take a look at the following opportunities that can help you make a positive change in your community and the world.

**Girl Scout Citizen and Democracy Badges**

Girls have the power to make a difference and lead positive change through civic action. Be prepared to lead the change in your town, state, and country by diving into Girl Scout Civics badges available for Girl Scouts of all ages. Click on a badge below to learn more about it!

**Citizenship Series**

**Democracy Series**

Now through the end of 2020, any GSOSW Girl Scout who earns a Citizen badge or any of the NEW Democracy badges will receive that badge for free. This offer is made possible thanks to sponsorship from our friends at The Oregon Clinic!

**Civic Leadership Challenge Patch Program**

Starting November 2020 through March 2021, Girl Scouts can explore civic leadership by completing activities focused around themes like voting and campaigns, advocacy and activism, and more! Themes and activity choices will be released each month through March 2021, just in time for Girl Scout Leadership Day!
The Girl Scout Community Garden was established in 2017 in partnership with the Carrico Foundation at the GSOSW Medford Service Center. The Community Garden provides girls with access to a safe space to learn about aspects of gardening, nutrition and even basic kitchen skills.

This year, with a transition to virtual programming, our community garden program leader Lion, has designed a variety of at-home programs to bring the Girl Scout Community Garden to the backyard of any girl.

**Cultivating Soil and Cheese** | Learn about soil and compost while you make a micro-composter out in the garden. Then head into the kitchen and learn how to make your own farmer’s cheese.

**Easy Peasy** | Learn about pea seeds and how to germinate them into plants. Then learn how to make a delicious and hearty pea soup.

**Beneficial Insects** | Discover the true warriors of the garden and learn how important insects can be to pollination of plants and a healthy garden. Head into the kitchen to make a fruity smoothie using honey.

**Harvest and Preservation** | Join us in the garden to learn about the fruits and vegetables that are abundant in late summer and fall. Check out what is locally harvested by visiting a farmer’s market in person or virtually. Then, try your hand at preserving some of the flavor of the season by learning how to make your own jam.

**Save the Date!** Virtual programs are coming to a computer near you! Check back on the Activities page for more information to come.
The Girl Scout Bronze, Silver and Gold Awards give you the chance to do big things while supporting an issue you care about. You might plant a community garden at your school or inspire others to eat healthy foods for your Bronze, advocate for animal rights for your Silver, or build a career network that encourages girls to become scientists and engineers for your Gold. Whatever you choose, you’ll inspire others—and yourself!

**Girl Scout Bronze Award**

The Girl Scout Bronze Award is the highest award earned by Girl Scout Juniors (grades 4-5). Bronze Award Girl Scouts explore the root cause of a need they see in the community, contributing at least 20 hours of leadership as they take action to address it. Get started today by completing a Junior Journey and Take Action project, then head to [girlscoutsosw.org/bronze](http://girlscoutsosw.org/bronze) to find out what’s next!

---

**Bronze Award Girl Scouts in the Spotlight**

**KEIRA L. AND AVA I.**

Keira L. and Ava I. learned that many in Portland did not have information on how temperatures and common flowers may impact dogs. After researching and speaking with botanists and vets, they created a resource for pet owners now used at local vets, pet stores and adoption agencies throughout the area.

---

**Girl Scout Silver Award**

The Girl Scout Silver Award is the highest award earned by Girl Scout Cadettes (grades 6-8). Silver Award Girl Scouts take action to address the root cause of a community need, contributing 50 hours of leadership in the process! Silver Award Girl Scouts go beyond simply doing something for the community—they partner with the community to make a lasting difference.

If you’ve earned your Girl Scout Bronze Award, you’ve already taken the first step in earning your Silver Award! If you haven’t earned your Bronze Award, that’s okay—you can get started by completing a Cadette Journey and Take Action project. Learn about all of the steps to earn your Silver Award at [girlscoutsosw.org/silver](http://girlscoutsosw.org/silver), or join us for an upcoming Silver Award Information Workshop to learn more!

---

**Silver Award Girl Scouts in the Spotlight**

**EVELYN G. AND SMARANI N.**

Evelyn G. and Smarani N. restored a flagpole and renovated a garden for a local fire station—a location used annually in remembrance of 9/11. The girls built a new flower bed and also secured new flags and an antique hose reel to be displayed in the garden. The fire station will maintain the garden and the pole for years to come.
Girl Scout Gold Award

The Girl Scout Gold Award is the highest award earned by Girl Scout Seniors and Ambassadors (grades 9-12). Gold Award Girl Scouts demonstrate extraordinary leadership as they develop sustainable solutions to local, national, and global challenges. They connect with experts to brainstorm innovative community solutions. They rally volunteers to put a plan in motion. And as they contribute more than 80 hours of leadership, they have a real and meaningful influence on people’s lives. Gold Award Girl Scouts don’t just change the world for the better; they change it for good! Check out some examples from recent Gold Award Girl Scouts below.

Are you ready to make the world a better place as a Gold Award Girl Scout? Here’s how to start:

• If you’ve earned your Girl Scout Silver Award, you’ve already taken the first step toward Gold! You'll also need to complete a Senior or Ambassador Journey and Take Action project.
• If you haven’t earned your Silver Award, that’s okay—you can get started on your Gold Award today by completing two Senior or Ambassador Journeys.

Visit girlscoutsosw.org/gogold to learn about how to earn your Gold Award or join us for an upcoming Gold Award Information Workshop!

Gold Award Girl Scouts in the Spotlight

JOCELYN B.
Jocelyn led a team in the creation of an Autism Awareness website and presentation to educate the community about autism. The website provides an overview of what autism is, with additional information about girls and autism. Jocelyn also created a presentation for troop leaders, which is accessible from the website.

LAUREN Y.
As the granddaughter of Japanese-American internees during World War II, Lauren wanted to give voice to the stories of internment camp survivors and educate future generations so this travesty will not be forgotten or repeated. She created a short documentary entitled “Shikata Ga Nai” (“It Cannot Be Helped”), incorporating U.S. military propaganda footage and a tour of the Santa Anita Assembly Center.

ALYSSA P.
Alyssa created a website and booklets that describe real-life STEM research and innovations connected to fun, fantastical elements from popular fiction. She led a focus group to advise on popular books for her target age group and pull out science concepts from these books. The booklets will be used in a local elementary school curriculum to help make STEM fun and relevant for students.
TRAVEL

While you may not be able to travel with your troop this fall due to COVID-19 health and safety guidelines, it is the perfect time to start preparing yourself for future travel. Dream up big travel goals and make plans for all the fun ways you would like to travel next! Take this quiz to find out what type of travel you are ready for:

1. What kind of trips have you been on before?
   a. I have been on road trips with my family.
   b. I have been on overnight trips with my troop, youth group, or any group other than my family.
   c. I have been on trips to another country.

2. For your last birthday party, you:
   a. Told your parents what theme you wanted and then let them plan the rest.
   b. Worked with your parents and friends to plan a party.
   c. Planned the party, decorated for the party and even baked the cake by yourself.

3. Do you like staying overnight at a friend’s house?
   a. I sometimes get sad or lonely, so I don’t like sleepovers.
   b. I have sleepovers at my best friend’s house sometimes.
   c. I stay at a friend’s house practically every weekend.

4. Last time you were at someone’s house and they offered you food you don’t like or have never tried, you:
   a. Refused to try it.
   b. Took the food, but hid it in a napkin to throw away.
   c. Tried it, didn’t like it, but thanked them anyway.

5. When you are in an unfamiliar place, you:
   a. Play on your cell phone, tablet, or other electronic device to kill time until it’s time to go.
   b. Stare at everything and take tons of pictures.
   c. Ask questions about things you don’t understand and learn about your surroundings.

6. The longest you’ve been away from your parents is:
   a. A night.
   b. A weekend.
   c. A week or longer.

7. When you have a problem figuring something out you:
   a. Give up.
   b. You ask an adult for help.
   c. You ask your friends or the people around to work with you toward a solution.

8. How well do you keep track of your own stuff?
   a. I lose everything!
   b. My room may be a mess, but I know exactly where everything is.
   c. I always know where my stuff is and can find it whenever I need it.

9. How well do you work on a team?
   a. OK, but I prefer to do things on my own.
   b. I like working on a team when my friends are on it, too.
   c. I love working together to decide things as a group.

Count up your answers and see if you’re ready to travel.

Number of As: __________ Number of Bs: __________ Number of Cs: __________
Are You Ready to Travel?

If you answered mostly As, then you are ready to begin your traveling adventures!
Your adventures should start small with short, close-to-home trips, then work your way up to longer, further-away trips. Try making a list of places you would like to travel to someday. Then, when COVID-19 guidelines allow, ask your family if they can take you on a road trip. Try staying somewhere different overnight and try new foods that you wouldn't usually eat. While traveling, remember to observe your surroundings, investigate things you don't know about and always be respectful of the new things and people you meet.

If you answered mostly Bs, then you are ready to take travel to the next step!
You are ready to go on a camping trip or overnight with one of your friends or other family members. Talk to your troop leader about taking the next step in planning an overnight trip. To practice planning, make an outdoor overnight vision board, where you can list ideas for where you would like to go, things you should bring, and what you need to plan for. Once COVID-19 guidelines allow for you to take your trip, make sure to help your traveling companions with things like food preparation, cleaning up and packing/unpacking. While away, always be respectful of the people and things that you don't understand.

If you answered mostly Cs, then you are becoming a true traveler!
You've had a lot of experience and you're enthusiastic and eager to learn. You aren't afraid to be in a new place with new people and you are curious. Talk to your troop leader about making a plan for a two-or-three-night trip within the region. Work with the girls in your troop to plan the details of the trip including setting a budget and doing money earning activities to help pay for the trip, so when you are able to go on your trip, the plan will already be made! Help your peers get excited about travel, and always be a good friend to those who are scared or homesick.

Dream Big
All of the travel experience and skills you've been building with your troop will prepare you for amazing adventures as a Girl Scout Senior and Ambassador!

Travel the country or the world on a GSOSW council-sponsored patrol or Destination. Whether you love art, culture, high adventure or STEM, there is a Girl Scout trip that is just right for you.

Check out the Travel page on our website for more information about taking the trip of a lifetime! There are currently Destinations planned for 2021 as COVID-19 health and safety guidelines allow.

Get inspired by local girls who have traveled with Girl Scouts! Check out the travel inspiration board on the next page to see some of the amazing places you could plan to visit!

Feeling inspired? Make your own travel vision board with photos of places you want to visit.
Travel Inspiration Board

Destinations Spotlight

“Traveling with Girl Scout Destinations has helped me grow by helping me conquer my fears, explore new cultures and make lifelong friends.” - Kaylea B.

Troop Travel Spotlight

Costa Rica Panama Service Challenge Destination 2019, Outward Bound Costa Rica

Troop 41259’s 16-day trip to Australia in 2013, in front of Sydney Opera House. The troop spent three years doing money-earning projects to get there!

Council-Sponsored Travel Patrol Spotlight

GSOSW Alaska Travel Patrol 2019, Alyeska Ski Resort and Aerial Tram

"Traveling with Girl Scouts was an incredible experience! Not only did I get to meet other girls with similar interests; we got to work together to plan the trip that we wanted. Going to Alaska was an amazing opportunity to see glaciers, wildlife, Alaska Native culture, and try some delicious unique foods (including glacial ice)! I would encourage all girls to try a Girl Scout Destination because it gives you the chance to see the world, have one-of-a-kind experiences, and make great new friends!" - Erin M.
EARN THE GOLDEN TREFOIL PATCH WITH YOUR TROOP!

The Golden Trefoil patch program is a special patch program just for Girl Scout troops. Girls and adults work together to earn this patch by creating shared goals and achieving them as a troop. By earning this patch, your troop shows that—with teamwork and fun—you’ve made the most of all that Girl Scouts has to offer with a well-rounded troop year. The Golden Trefoil patch program is available to all Girl Scout grade levels.

Troops are encouraged to begin the Golden Trefoil program at the start of the Girl Scout year in October, as it typically takes a full year to complete all requirements. The first year that a troop earns the Golden Trefoil patch, they will receive the patch for free from GSOSW! Each subsequent year that a troop completes requirements, they will be eligible to apply for an annual, color-coded segment (also free from GSOSW) to accompany the Golden Trefoil patch.

Want to get started? Discover the steps to completing the Golden Trefoil patch program today!

A Note for Troop Leaders

Much of what you are already doing throughout your troop year meets the requirements for this patch program! Take a look at the form in October and talk with the girls in your troop about what they’d like to do to earn the Golden Trefoil patch. This program is a great roadmap for your troop to plan and enjoy a well-rounded Girl Scout experience!
GLOBAL ACTION AWARD 2021

In 2015, world leaders across the globe agreed to work together to accomplish 17 goals by 2030—these are referred to as the Global Goals for Sustainable Development, or SDGs for short. They focus on things like taking care of the environment, making sure all people have enough to eat, and improving people’s health. They’re big goals, but Girl Scouts know a thing or two about changing the world!

Girl Scouts’ Global Action award calls for girls to address the SDGs by discovering, connecting, and taking action in their communities and beyond. In 2021, girls will explore SDG 13 (Climate Action) to earn their Global Action award.

The Global Action award is an official national award, so Girl Scouts can wear it on their vest or sash, just like a badge.

Check Out the Award Guidelines:

- [2021 Global Action Award Activity Guide For Girl Scout Daisies, Brownies, and Juniors](#)
- [2021 Global Action Award Activity Guide For Girl Scout Cadettes, Seniors, and Ambassadors](#)
SPECIAL DAYS IN GIRL SCOUTING

Each year, Girl Scouts celebrate several special days that help mark the milestones in our history. Learn more about each of these special days below, then add them to your calendar to celebrate with Girl Scouts everywhere!

February 22

World Thinking Day

World Thinking Day is recognized by Girl Scouts as the International Day of Friendship. On this day, Girl Scouts celebrate our global movement, connect with the worldwide Girl Scout sisterhood, take action and speak out on issues they care about. Be inspired by the history and impact of Girl Guiding/Girl Scouting as you explore this year’s World Thinking Day theme: Peacebuilding. Learn more about how to celebrate World Thinking Day.

March 12

Girl Scout’s Birthday

This day marks the birth in 1860 of Girl Scouts of the USA founder Juliette Gordon Low in Savannah, Georgia.

April 22

Volunteer Appreciation Week and Girl Scout Leaders’ Day

Volunteer Appreciation Week centers around the long-standing National Girl Scout Leaders’ Day (April 22) and honors all the volunteers who work as leaders and mentors in partnership with girls. On this day, girls, their families, and communities find special ways to thank their adult Girl Scout volunteers.
Service Units
Girl Scouts of Oregon and Southwest Washington (GSOSW) is divided into 40 geographic areas called service units, and each service unit is managed by an amazing group of volunteers called a service team. The key responsibility of the service team is providing support to troop leaders and volunteers in the service unit. For questions about the Girl Scout Cookie program, finances, trips, camping, and more, your service team should be your first call or email. Service units hold monthly volunteer meetings where they share recent information from GSOSW and Girl Scouts of the USA (GSUSA), provide networking opportunities with other volunteers in your area, and seasonal learning and training opportunities.

Introducing the Girl Experience Mentor
Looking for Girl Scout programming in your area, or want to know what events your service unit is planning? Have questions about the Girl Scout curriculum? Get in touch with your service unit’s girl experience mentor (GEM)! The GEM educates, mentors, and connects troop leaders and service team members as they facilitate the Girl Scout Leadership Experience (GSLE). Need your service unit’s team roster? Email answers@girlscoutsosw.org.

Troop Leader Resources
We want to make sure that all troop leaders feel confident and comfortable in their role, which is why we have many resources to help!

- Your Service Team. Be sure to attend monthly meetings and reach out to your service unit team with any questions you have.
- The Volunteer Toolkit. Planning meetings with your girls is a snap with our online planning tool. See Page 23 for more information about the Volunteer Toolkit (VTK)!
- New Leader’s Guide to Success. This guide is chock-full of information and resources specifically for troop leaders like you.
- Volunteer Essentials. The Volunteer Essentials handbook is designed by GSUSA to be your go-to resource for all things Girl Scouts, and includes GSOSW Council Volunteer Policies and Procedures. These documents play an integral part in your everyday operations and decision making with girls, and should be consulted regularly.
- Safety Activity Checkpoints. This resource provides safety standards and guidelines for all GSUSA-approved activities. Make sure to check Safety Activity Checkpoints before planning any high-risk activities with your troop.

Virtual Volunteer Meetings
Each month, all Girl Scout volunteers are invited to attend a Virtual Volunteer Meeting via Zoom, where you can get information and updates on new program opportunities, policy changes, and a quick review of other topics that affect your area. Sign up today!
The Volunteer Toolkit

The Volunteer Toolkit (VTK) is a digital resource that supports troop leaders and co-leaders, making the process of running a troop easier and more efficient! It is designed to support troop leaders in planning and delivering program content through troop meetings to girls. Service unit/administrative volunteers and Juliettes/individually registered girls can also request access to VTK.

Through VTK, troop leaders can:

• Plan the troop’s calendar year.
• Email parents with one click.
• View the troop roster, renew girls’ membership, and update girls’ contact information.
• View Daisy through Ambassador Journeys and badges (to plan for troop meetings), including new badges and pre-populated tracks for younger and older multi-level troop groups (K–5 and 6–12).
• Customize meeting agendas by troop year with other badge and Journey options.
• Record girls’ attendance at meetings and their badge and Journey achievements.
• Add GSOSW activities or custom troop events to the troop’s calendar.
• Locate national and council resources, such as Safety Activity Checkpoints.

To access the Volunteer Toolkit, visit girlscoutsosw.org and click on “Sign in” or “My GS” in the upper right corner of any page. Once you have signed in to your My GS account, select “Volunteer Toolkit.”

Virtual Troop Meeting Resources

We know that it can be challenging at times to create the space that your troop deserves within a virtual landscape. To help support troop leaders to be the best that they can be, GSUSA has created virtual meeting resources on VTK to help navigate virtual troop meetings with success! Available virtual meeting resources include:

• How to plan a virtual meeting.
• Digital icebreakers and games.
• Easy badge and Journey adaptations.
• Virtual bridging resources.

GSUSA has also introduced a new virtual icon on VTK to denote activities that have been adapted to be deliverable in a virtual space. Simply add activities with the wifi symbol () to your meeting plan and you are ready to lead that activity virtually with your troop! GSUSA will continue to add more activities to VTK with the virtual option throughout the coming year.
Enjoy the fun, exploration and learning of Girl Scouts with GSOSW’s self-guided virtual activities! These activities are free and open to all girls and families—not just Girl Scout members—to help you stay engaged and connected while social distancing.

Explore STEM, the outdoors and life skills with activities developed by local GSOSW girls and staff! Click on the icons below to explore activities by category, or explore one of our featured activities below.

- **Explore STEM**
- **Explore the Outdoors**
- **Explore Life Skills**

**How to Make a Solar Oven** | Looking for a new way to cook your s’mores? You can convert the sun's energy into heat in a solar oven to make the perfect s'more! [Learn how today!](#)

**Upcycle Your Wardrobe** | Look in your closet for clothes that no longer fit and try out these fun ideas to upcycle your clothing into something new. [Get started!](#)

**The 10 Essentials of Hiking and Camping** | Join GSOSW Outdoor Program Specialist Angie Madsen at Camp Arrowhead to learn about the Ten Essentials for hiking, camping and other outdoor adventures! What do you need to be prepared in the outdoors? Watch this video to find out, then try it out yourself with this at-home activity.

**How to Make a Toilet Paper Planter** | Learn how to make a small planter from repurposed materials to get your garden started! This activity can help you complete Step 1 of the Junior Flowers badge or Step 4 of the Junior Gardener badge! [Get started.](#)
Girl Scouts at Home: Activities and Events for All Girls

Dive into all the fun that is the Girl Scout experience—even while we can’t physically be together—with Girl Scouts at Home from Girl Scouts of the USA! Enjoy free activities and online events that will help you learn skills and complete badge steps on your own, as a family or virtually with your troop. Connect with Girl Scouts across the country as you make a difference through national service projects. Find tips and tools for troop leaders and families to help girls dig in to these one-of-a-kind resources. Discover more below!

New Badges
This year, Girl Scouts has introduced 24 new badges! Whether you are interested in entrepreneurship, automotive engineering, STEM careers, or civics, you’re invited to sample these new badge activities—and show the world your courage, confidence, and character as you make the world a better place. Try these sample activities today!

Ways to Serve Your Community
Girl Scouts have always stepped up in times of need, and our current COVID-19 crisis is no different. All across our country and our world, Girl Scouts have leapt to the aid of others by engaging in wonderful acts of service and kindness. Now your troop can get involved too! Get ideas for service projects and share how your troop is making a difference on GSUSA’s National Service Projects page.

For Volunteers
Whether you’re looking for tips on how to structure your virtual meetings or wanting to learn more about virtual curriculum, Girl Scouts at Home is here to help you be the best leader you can be for your girls. Dig into these helpful, one-of-a-kind resources.
PLAN YOUR OWN ACTIVITIES

Are you looking for even more fun, local Girl Scout activities? GSOSW has program partners all throughout our council that offer Girl Scout-specific badge workshops and activities (called “Plan Your Own” activities) that can be planned for dates and times that fit your schedule! All current Plan Your Own activities are offered virtually so you and your troop can safely participate from home. To get started, visit girlscoutsosw.org/plan-your-own to find a partner. Then, contact them directly to schedule a time and date that works best for you! Here are just a few of the current Plan Your Own activities available:

FINANCIAL LITERACY BADGE WORKSHOPS
VicTreeFi

Complete financial literacy badges online! VicTreeFi provides online courses for Girl Scouts that are self-paced and mobile-friendly. Girl Scouts are invited to register for one or more of VicTreeFi’s courses to complete steps required to earn financial literacy badges. Courses are built around national standards for financial literacy. [Get started!]

$2/Class  All Ages

VIRTUAL CULINARY BADGE WORKSHOPS
Amore Kitchen

Amore Kitchen is now offering virtual cooking classes for troops. Ingredients are sent to you ahead of time, so you can cook together, live. Cooking classes are tailored to meet badge steps for all culinary badges at all Girl Scout grade levels. Amore Kitchen also offers fun patch cooking classes! [Schedule your cooking class today.]

$28/girl  BR/JR/CAD/SR/AMD

VIRTUAL WORKSHOPS
Mad Science

Virtual classes are now available for troops and small groups! Current digital class topics include: All About Animals, The Science of Magic, Planets & Moons, Lights/Color/Action, Life in the Sea, Moving Motion, Dry Ice Capades. [Plan your class.]

Prices vary  All ages

Planning for the Future

While Girl Scouts are not currently meeting in person due to COVID-19 health concerns, there will come a time when we can be together again! In preparation for that time, troops are encouraged to be familiar with two resources available on the Plan Your Own Activities web page:

• Approved Outfitters List. Does your troop want to try horseback riding, downhill skiing or ziplining someday? Plan your adventures with GSOSW’s Approved Outfitters List! Approved outfitters are vendors and facilities that have met safety requirements and are approved by GSOSW. The list is updated frequently and is full of amazing opportunities for you and your fellow go-getters to explore once in-person activities are allowed again.

• Plan Your Own Activities Map. This interactive map allows you to search for different Plan Your Own program opportunities available in your area. The Plan Your Own Activities Map is not currently active due to COVID-19 safety guidelines, but will be made available once we are able to provide in-person programming again. In the meantime, check out the Plan Your Own Activities List!
GSOSW ACTIVITIES

Girl Scout program activities offer a whole world of adventure and learning in STEM, the outdoors, life skills, entrepreneurship and beyond—even virtually! While we can't be together in person, you can find tons of virtual experiences throughout this section and on the GSOSW Activities page.

How to Find an Activity
There are lots of ways to find exciting Girl Scout activities! Start by exploring this section of the Program Guide. Then, head over to the GSOSW Activities page to see what's new! Activities will be added to the GSOSW website throughout the year, so be sure to check back often. We'll also keep you posted through our monthly Program Opportunities email! Be sure to add girlscoutssow@email.girlscouts.org to your safe senders list. If you are not receiving the Program Opportunities email and would like to, please contact us at answers@girlscoutssow.org.

You can view upcoming activities and adult training opportunities by date or search by keyword, date or program level on the GSOSW Activities page. You can register for activities and training from this page, or do so through the Activities tab in your My GS account. You can also find activities with the GSOSW Activities Calendar. Looking for even more Girl Scout fun on your schedule? Discover “Plan Your Own” activities available from Girl Scout program partners in your area—see details on Page 26 of this guide.

Resources and Support
Looking for information on registration open dates, cancellation, refunds or assistance registering for an activity or training? Find these details on the Activities page!

Sample Activity Listing

THINK LIKE A PROGRAMMER JOURNEY WORKSHOP
Engage Thru Tech
Online
Yes, YOU can code, and make a difference in the world! Teach an animated toucan how to fly using coding instructions! Combine what you have learned about algorithms and debugging to create a video that teaches others something new!

HARRY POTTER CODING
Microsoft
Online
This workshop introduces girls to the foundational concepts of coding while enjoying the magic of Harry Potter! Follow simple steps with drag-and-drop code blocks and create Harry Potter spells with your mouse. Girls will learn to define basic coding concepts, use their imagination to customize their own coding projects, and be able to explain the relationship between hardware and software in coding! Tech requirements: Computer and internet—no applications needed.

MINECRAFT BUILD CHALLENGE
Microsoft

Girls will put their creativity, Minecraft knowledge and skills to the test in this fun 90-minute virtual event. Attendees will be given topics along with instructive guidelines throughout to develop their own creative build in Minecraft. This activity requires the use of Minecraft, and this game software is NOT included with registration.

11/11/20 3 - 4:30 p.m.
$2.50/girl SR/AMD

AGENT OF CHANGE JOURNEY WORKSHOP
Engage Thru Tech

“Got Moxie?” Explore advanced 2-D animation, and experiential activities to find your own “moxie” power, while connecting with women heroines (real and animated) who have it! Then “take action” for the “cause” of your choice!

11/14/20 - 11/15/20 10 a.m. - 2:30 p.m.
$78/girl Juniors

THE SCIENCE OF MAGIC
Mad Science

Magic? No, it’s science! Magicians never tell their secrets, but scientists reveal all. Learn some famous historical magic tricks, and how to recreate them yourself! Wow your parents and your friends with your new magical scientific knowledge.

11/16/20 5 - 6 p.m.
$18.75/girl D/BR/JR

CROSSING GREENLAND LIKE A GIRL SCOUT
Polar Explorer Katie Crafts

Do you ever wonder what giant goals you’re capable of? Join this activity to get step-by-step instructions to make your own big dreams come to life! In this talk, Girl Scouts will dig deep into what it means to adventure beyond your current skills. Girl Scouts will leave with their own written road map on how to make their greatest dreams a reality!

11/17/20 5:30 - 6:30 p.m.
$5/girl CAD/SR/AMB

DIGITAL PHOTOGRAPHY
Microsoft

In this workshop, girls will explore digital photography concepts by taking and editing photos and creating a stop motion animated video. Girls will understand and explore key foundational digital photography concepts, create and edit photos, and make their own stop motion animation that they can share with friends and family.

11/18/20 3 - 4:30 p.m.
$2.50/girl Juniors

STREAM SCAVENGER HUNT
Trout Unlimited

Go on a stream scavenger hunt! You’ll watch a video to search for the nine different ingredients that make up a healthy stream. Can you find all nine and record your findings? The challenge is on! You will receive a special, printed STREAM Girls workbook with your registration.

11/18/20 4:30 - 5:30 p.m.
$5/girl Juniors/Cadettes
### NOVEMBER/DECEMBER 2020

Bring a friend, make new ones, and get WILD on the dance floor with GIRL SCOUTS—it’s all FREE!

Learn more and RSVP today at girlscoutsosw.org/connect!

Girl Scouts who invite a friend to join in an Animal Dance Party will earn a Membership Lift-Off Superstar patch for their vest or sash! If you want to come join the fun with a friend who’s new to Girl Scouts, we’d love to see you there. Be sure to let your facilitator know that you brought a friend so we know to send you a patch.

We’re throwing virtual Animal Dance Parties to introduce girls in kindergarten through third grade to the world of Girl Scouts. Share this invitation with any girls who might not be in Girl Scouts yet. Invitations mean the most when they come from trusted friends and family!
