

ELIGIBILITY STATUS BY COUNTY

As of 12/1/2020, counties marked in **GREEN** below meet health and safety metrics to qualify for GSOSW approval to resume in-person Girl Scout activities. **This list does not serve as approval to begin meeting**, but rather indicates eligibility. Service units will be contacted directly by GSOSW staff with information about newly-approved counties, or counties with a status change. Please wait for direction from your service unit team and review [Girl Scouts Together](#) guidance before resuming in-person activities. Counties in **RED** below are not currently approved for in-person activities and are encouraged to make use of [Girl Scouts at Home](#) and other virtual program and meeting tools.
